

DIANA SONNE

Visual communicator with broad range of experience across in-house, agency, and direct client settings. Skilled with cross-functional collaboration to achieve desired outcomes. Adept at combining creativity with exceptional attention to detail.

EXPERIENCE

Communications Representative | Graphic Designer Pacific Gas and Electric Company, Oakland, CA | 2021-present

- Collaborate with coworkers throughout the company on graphics communications, brand strategy and management, maintaining consistency with brand guidelines, and lead internal process improvement efforts
- Provide solutions to complicated communications challenges so that it can be understood by all audiences: decisionmakers, press, customers, and the general public
- Execute a wide range of internal and external graphics projects, from company events and recognition programs, to conveying information to customers creatively and effectively

Graphic Designer | Circlepoint, Oakland, CA | 2014-2020

- Implemented creative solutions for public agencies, utilities, and non-profits, including Caltrain and San Jose Water
- Designed print and digital communications that were on-brand, on-message, and culturally appropriate
- Successfully managed projects for multiple clients with competing deadlines

Production Artist | Gap Inc., San Francisco, CA | 2014

- Produced in-store/window signage and retail packaging/marketing collateral for Gap Global Outlet in North America and Europe
- Redesigned signage and collateral in French and Italian for international stores

Independent Graphic Designer | 2005-2014

- Completed projects for clients in a variety of industries, including electrical equipment, engineering, architecture, education, and medicine
- Created visual identities, business collateral, and marketing material for digital and print media
- Drove and owned projects from initial concept to final delivery
